

**2007 Indiana State Fair
Rascal Flatts Standing Only Procedure**

For those Rascal Flatts Standing Only Track ticket holders who want to get in line prior to the opening of the gates, the following will be available:

The Grandstand entrance gate east of the Box Office will open at noon, August 10th to begin two cueing lines located just inside the Grandstand corridor. Only people with a Standing Only Track ticket will be able to get in this line. Those with reserved Grandstand seats may line up outside the entrance gates at any time.

Concessions stands and restrooms located inside the Grandstand will be open at this time for those in the Standing Only Track cueing line who wish to visit these areas and then you have the capability of getting back in their spot in line. If you wish to leave and go outside the Grandstand fence for whatever reason, you will have to go to the end of the Standing Only Track cueing line. At 6 pm, the Indiana State Fair will begin allowing people with Standing Only Track tickets on to the track to clear the corridor for all remaining concert-goers; gates for reserved seat ticket holders and everyone else will open at 6:30 pm.

If you chose to not stand in the cueing line, don't worry. There are plenty of good spots on the track to view the concert and you should not have any difficulty finding a location once you arrive.

Lawn chairs will not be allowed in the lines, but blankets will be allowed.

Only those with Standing Only Track tickets will be allowed to stand in the cueing line. You may not have someone without Standing Only Track tickets stand in place for you or hold places for individuals who are not present but may wish to join you later in line.

Thank you for your cooperation.
